All trash bags up to and including 14 gallons will be accepted for one punch each. All trash bags larger than 14 gallons will be accepted for two punches each. Recyclables will be accepted for free. Additional cards may be purchased for the prices noted above at the town office. Cards will not be accepted for credit at the end of the year. **Only garbage/waste from a residence of Stamford will be accepted.**

MERCURY-added products CANNOT be placed in the trash. Some items containing mercury are thermometers, fluorescent light bulbs, thermostats and flat panel display screens.
